

Сведения об официальном оппоненте

Фамилия, Имя, Отчество	Наний Олег Евгеньевич
Ученая степень	доктор физико-математических наук
Научная специальность, по которой оппонентом защищена диссертация	01.04.21 – Лазерная физика
Ученое звание	профессор
Полное наименование организации	Федеральное государственное бюджетное образовательное учреждение высшего образования «Московский государственный университет имени М.В. Ломоносова»
Адрес, телефон, электронная почта	Адрес: 119991, Москва, Ленинские горы, д.1, физический факультет Тел. 8 499 131-03-48 Тел. моб. 8 965 392-66-39 naniy@t8.ru
Должность, структурное подразделение	профессор, кафедра оптики, спектроскопии и физики наносистем

Список основных публикаций официального оппонента по теме диссертации в рецензируемых научных изданиях за последние 5 лет (не более 15 публикаций)
